Pry table grace at meals. Provides great rhythm to the day, and a good witness to others

## **Pray for your Family**

Give thanks for each family member everyday

Pray for each family member everyday—especially when there's tension

- Ask "How can I pray for you this week?"

## **Give a blessing on Father's Day**

My Dad's been gone 17 years now. I still remember the times he told me he loved me and was proud of me. I want my kids to know that, too. I want them to remember Father's Day as a day when their Father blessed them. I hope they'll do the same for their kids, too.

Took each child aside, looked them in the eye, and said "I'm proud of you for this... I bless you for that..."

- Words aren't as important as the act. What matters is to communicate "I see you. I love you. I bless you."
